

Eritage Resort is a tribute to the history, beauty and warmth of Washington's farms and vineyards.

Beautifully nestled on 300 acres in the rolling fields of wheat and vineyards of Washington wine country, Eritage is only minutes from downtown Walla Walla and its regional airport. Each suite opens to a patio or deck with expansive views of the Blue Mountains, rolling farmland and a pristine man-made lake. This intimate property is tucked within the vineyards and is designed to provide guests with an unparalleled Washington wine country experience with exceptional lodging and cuisine, as well as exclusive access to unique events and services.

## A NEW WINE COUNTRY DESTINATION

Eritage will open with 10 luxury suites, a cozy living room area for gathering and flexible spaces for private dining and special events. The restaurant menu, created by James Beard award-winning chef Jason Wilson, highlights locally grown ingredients and Washington wines. An additional 10 lakeside villas will open in 2018. Eritage was founded by Justin Wylie, owner and winemaker of Va Piano Vineyards. Fire & Vine Hospitality, the company behind El Gaucho, provides resort management and services.
